FEARING'S

Thanksgiving Dinner heating instructions

Artisanal Texas Greens Salad

*Remove plastic lid. Mix and Drizzle Sherry Vinaigrette over the salad and mix with a spoon and fork.
Top with crumbled Goat Cheese.*

Whole Roasted Turkey in Autumn Herbed Butter

*Preheat oven to 350°F. Remove plastic wrap and cover with the foil provided. Place container in the oven for 45-60 minutes. Remove foil and continue to reheat for another 15-20 minutes until an internal temperature of 165F is reached. *For faster heating, carve turkey cold and place sliced meat, legs and wings on baking pans covered in foil and reheat for 20 to 30 minutes**

Brown Butter Whipped Mashed Potatoes

Preheat oven to 350°F. Remove plastic lid and place container in the oven for 35 minutes or until hot.

Haricot Verts with Wild Mushrooms & Crispy Shallots

Preheat oven to 350°F. Remove plastic lid and place container in the oven for 20-30 minutes or until hot. Top with Crispy Shallots.

Sweet Potato Soufflé with Candied Pecans and Marshmallows

*Preheat oven to 350°F. Remove plastic lid and place container in the oven for 35 minutes or until hot
*Turn on oven Broiler to low and slightly brown the marshmallows before serving**

Sage Sausage and Granny Smith Apple Brioche Stuffing

*Preheat oven to 350°F.. Remove plastic lid and place container in the oven for 35-45 minutes or until hot
*Remove the foil and allow to crisp on top if desired for further 8 minutes**

Turkey Gravy

Pour contents into a sauce pan and gently heat on the stove top until boiling

Parker House Rolls & Plugra Butter

*Preheat oven to 350°F and place rolls on a metal tray. Place in the oven for 8 minutes or until warm
Take butter out of packaging and allow to come to room temperature before serving*

House Made Cranberry Compote

Remove lid and serve at room temperature

Spiced Pumpkin Pie with Vanilla Bean Whipped Cream

Slice at room temperature and serve with a dollop of cold whipped cream

Bourbon Chocolate Chunk Pecan Pie

Enjoy at room temperature!
